The bus will leave at 7:00am on February 28th and return at 6:00pm on March 2nd. (Times subject to change)

Cost: The cost is dependent upon the number of students that attend the trip. Therefore, two quotes are provided below:

Quote 1	Quote 2
1 bus (up to 50 students & chaperones)	2 buses (up to 80 students & chaperones)
\$230 per student	\$250 per student
\$230 per chaperone	\$250 per chaperone

***A payment plan option will be offered. Information will be provided in August 2017.**

Please Note: If we do not collect enough money, we will only take the first 50 students that send in their permission slips and deposits, which includes only taking one bus. One bus holds 55 people, so chaperones will need to drive. Carpooling will be arranged
