Montessori Open House this Wednesday

Huntley Hills Elementary and Montessori is hosting an Open House for Montessori education Wednesday 31st January between 6pm and 7pm. This is a great opportunity for parents to learn about Montessori education, including parents who have children in our Montessori program, parents of traditional students, parents looking at us for school choice, as well as parents who may be new to the neighborhood.

Open House will be a student led, silent tour of the Montessori program where parents can observe how our children learn and how their learning progresses from younger through to older grades.

We welcome everyone so please [Click here](#) to register to attend this event.

We have some great information about Montessori on our website [at this link](#). If you are interested in touring our school to learn about Montessori, [click here](#) to go to the parent resource page.
