HOLIDAY SHOP - Tomorrow is the last day!

Are you ready for the holiday season and gift shopping? Let us help!

New this year, will be a Holiday Gift Shop at our school that your child can participate in **the week of Dec. 4**. This program helps Huntley Hills Elementary too – we receive a portion of the sales to improve and enhance our school.

How does it work?

- Send cash or check with your child to bring to the Holiday Gift Shop the week of Dec. 4.
- Parent volunteers will be on hand to help your child make gift selections and stay within their budget.
- You can use the Holiday Gift Shop envelope sent home in the STAR folders to help decide who your child should buy gifts for and how much they should spend for each person.

What kind of gifts will be available?

The Holiday Gift Shop will have items ranging from \$.25 to \$13. We could list some of the items but then it wouldn't be a surprise.

When will the Holiday Gift Shop be open?

Monday, Dec. 4 from 7-7:45 a.m.
Tuesday, Dec. 5 during your child's lunch
Wednesday, Dec. 6 from 7-7:45 a.m.
Thursday, Dec. 7 during your child's lunch
Friday, Dec. 8 from 7-7:45 a.m.

We look forward to a great holiday season! To volunteer in the Holiday Gift Shop, visit our [Sign Up Genius](#).

DONATIONS CURRENTLY DOUBLED!!!

Ms. Thompson has started a Donors Choose project looking for an alto xylophone and an Orff instrument stand. Please consider donating - Ms. Thompson has been an amazing addition to the staff here at HHES and her passion for teaching and music has shown in the progress our students have made and the wonderful performances we get to see throughout the year. She has passed on that love of music to the students and helped them discover their talents and develop the confidence performing requires. Any amount will help her continue to help our students. Thanks!

From Ms. Thompson:

I have up to 46 students in and class and only 12 xylophones. Much of their class time is spent waiting for an instrument. Having another xylophone will allow more students the opportunity to play, perform, and make music.

I want them to have the necessary instruments to explore their creativity and passion for music. Young musicians deserve to have the instruments they need to explore their creativity and become lifelong music-makers. These students have a strong passion for music. For most children, my class is their only exposure to music from various genres and cultures.
