School is Open Tomorrow

A special message from the DeKalb County School District.

DeKalb County School District to close schools and offices on Sept. 11-12, due to potential inclement weather

All schools and offices in the DeKalb County School District (DCSD) will reopen on Friday, Sept. 15, 2017. All extracurricular activities, and sporting events will be held as scheduled.

There may be delays with school buses, and at schools, as we return to business. We ask for your patience as we reopen schools safely.

Movie Night Postponed

Movie Night originally planned for 15 Sep and will be rescheduled (stay tuned - we will announce the new night in next Wednesday's E-Blast). If you bought presell tickets these of course will be honored and if the new date doesn't suit your family commitments, you will be refunded.
